Production

Produced from Garnacha grapes from the La Zorrera (6,65 hectares) vineyard, picked by hand. In the winery, the grapes are sorted and transferred into a stainless-steel vat via gravity flow. After a light maceration, the wine ferments at a controlled temperature. Over this period it is important to ensure a gentle extraction so manual pumping over operations are carried out. Once the malolactic fermentation is completed, the wine is transferred into French oak barrels via gravity flow.

Chivite La Zorrera

“ Only in certain vineyards and in selected vintages, is it possible to obtain plump, fresh Garnachas in which the balance between acidity and the other sensations is just perfect. ”

Julián Chivite

Tasting notes

Lovely intense dark cherry hue with purple shades. On the nose, we find an intense aroma of a marked varietal character with pronounced red fruit aromas (strawberry jam, redcurrants) accompanied by great complexity, in which we find subtle floral notes, a soft herbaceous backdrop and an elegant minerality. The wine is full-bodied and smooth on the palate with excellent acidity and a long-lingering finish.
